MORRIS RUGBY YOUTH PROGRAM

AMERICAN FLAG RUGBY Summer Time is Rugby Time! – 2011

Coed, Non-Contact fun for Boys & Girls ages 5-14
June 14th through July 23rd at Woodland School

Located on Johnston Drive in Morristown

Morristown Colonials Rugby once again takes to the field! The game we play is called **American Flag Rugby**, a coed, non-contact form of rugby using flags. Players build and utilize the skills of running, kicking, passing, space strategy, and teamwork. It's a game for all kids and is firmly focused on developing self confidence and having fun.

American Flag Rugby introduces young players to the game with an emphasis on enjoyment and sportsmanship. Children play in 4 age groups, each group bringing in more aspects of the game as the players progress. The program is intended for children entering kindergarten through ninth grade.

The Owls:	For Children entering grades	K-1
The Falcons:	For Children entering grades	2-3
The Hawks:	For Children entering grades	4-6
The Eagles:	For Children entering grades	7-9

We know its summer. Here's a low pressure environment where kids are expected to come and go as family vacations allow. Of course, no experience is necessary. Practices are Tuesday and Thursday evenings from 6:00pm-7:15pm for Owls, Falcons, & Hawks; and 6:00pm-7:30pm for Eagles. For the convenience of all involved all age groups practice and play matches at the same time & same place. Matches are played in various towns on Saturday mornings from 9:00am- 12:00pm.

Come out and join the more than 1,000 young players from other Morris County area towns who will take the field this summer! For more information as well as an application go to: www.morristownrugby.com
